Lucknow, 07 February 2020

## Naval Group enhances Indian industrial partnerships at DEFEXPO 2020

**On 6<sup>th</sup> February 2020, at DEFEXPO 2020 Naval Group announced signatures of important industrial alliances with Indian partners, thereby re-instating our commitment to indigenous content.**

At DEFEXPO 2020, Naval Group reiterates its commitment to deepen sustainable cooperation with the Indian industry. Naval Group, with its robust track-record in terms of large and rich technology transfers worldwide, has been a pioneer in policy of Make in India and now gearing up for "*make from India*".

With a presence of more than a decade in India, Naval Group has firmly supported the self-reliance of the Indian Navy for its naval programs. Naval Group's international strategy is to build long-term strategic partnerships with the most qualified and innovative industrial actors of the countries for our clients in order to ensure their sovereignty.

Naval Group is proposing a robust offset package in our competitive and technically advanced offer for the Indian tender for modern heavy weight torpedoes. "*This is the natural extension of our industrial presence in India achieved through the ongoing project for Kalvari-class submarine*" declared Patrice Pyra, Commercial Director of Naval Group Underwater Weapons.

*"Our partners share essential features with us such as high-level of quality standards and the search for ever increasing innovation and we are eager to take them on-board our global projects"* said Massi Begous, Naval Group Senior Vice-President for International Industrial Development, while welcoming and signing MoUs with qualified Indian companies:

- 1) VEM Technologies Pvt Ltd
- 2) H And H Precision Pvt Ltd
- 3) HBL Power Systems Ltd

## About Naval Group India

Naval Group India is a 100 % owned subsidiary of Naval Group, which is headquartered in Paris, France. Established in September 2008 as DCNS India, it has its presence felt in 2 major cities: Mumbai and New Delhi. The main purpose of Naval Group India would be to support the Indigenisation through 'Make in India' activities for Scorpene® submarine equipment, to develop the Indian defence eco-system, as well as to develop design services in India with talented Indian engineers. The endeavour of Naval Group India is to be a visionary and to further its involvement in empowering more and more industries by creating a robust eco-system that can cater to the varied defence needs of the country.
