

# PRESS RELEASE

Paris, 8 October 2021

## **Anne Quillon is appointed Director of Naval Group's Procurement, Sourcing and Supplier Management**

**On 8 October 2021, Anne Quillon was appointed Director of Procurement, Sourcing and Supplier Management within the Operations and Performance Department of Naval Group. She will manage all of Naval Group's resources in the area of purchasing and she will define the group's "responsible purchasing" policy and manage its performance. She will also support the group's subsidiaries.**

---

Anne Quillon said: "The Procurement, Sourcing and Supplier Management Department's mission is to develop, implement and improve the performance of the purchasing strategy and to structure supplier relations in order to achieve operational excellence and sustainability. As such, I am pleased to be able to contribute to Naval Group's growth and performance, for the benefit of its customers, and to be able to contribute to the strengthening of the companies in the defence technological and industrial base (DTIB) and the naval sector."

### **Biography of Anne Quillon**

Anne Quillon, 45 years old, joined Naval Group on 8 October 2021 as Director of Procurement, Sourcing and Supplier Management.

She holds a degree in political science and a master's degree in purchasing and supply chain management. Anne Quillon began her career as a consultant in sourcing and supply chain.

She then held several purchasing and supply chain positions at Safran, which she joined in 2002 and left in 2010. Anne Quillon then joined Alstom Power as France Sourcing Director before she was appointed Sourcing and Procurement Director for the Europe, Middle East and Africa region of Alstom Power Hydro until 2015.

Anne Quillon then became Head of Global Sourcing at GE Renewable Energy Hydro until 2018 and has since been leading the group's global working capital and supply chain.
